

**Proposal for a Regulation on the making available on the market of CE marked fertilising products and amending Regulations (EC) No . 1069 /2009 and (EC) No. 1107/2009**

**Committee on Agriculture and Rural Development**

# CE fertiliser products made of:

**Crop need N**

**Application limit  
(170 kg N/ ha)**

**Compost**

**Mineral fertilizer**

**Digistates**

**Near future: struvite /  
meat-bone meal ?**

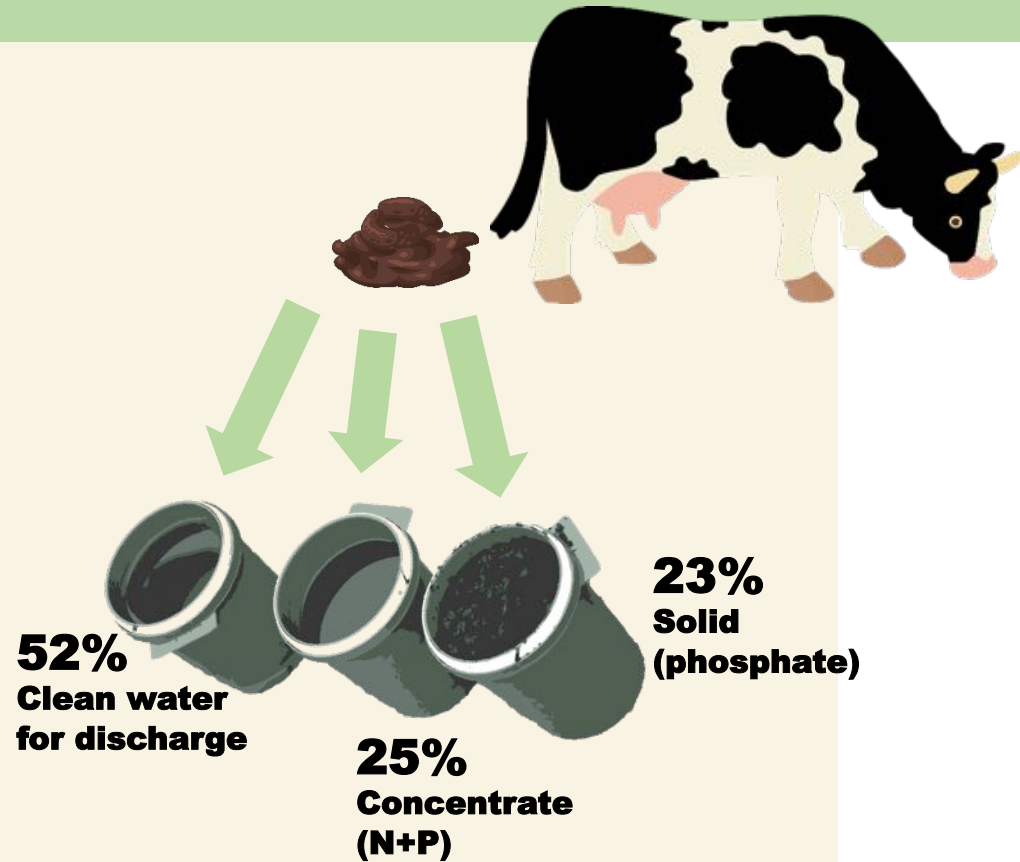

## Closing the loop

- **Re-use of nutrients derived from animal manure instead of disposing them**

- **Less dependence on mineral fertilisers**

# Animal manure:

- **Prevent discrimination & secure equal competition between fertilising products**  
→ **Technological neutral rules**
- **“Livestock manure”**: means waste products excreted by livestock or a mixture of litter and waste products excreted by livestock, **even in processed form**
